

City Invocation

Let the City of London, the City of New York and the City of Moscow
Be Aflame with the Light of Shamballa
Let the Outer Dross be Burnt Away
Let those therein Become One with the Divine Purpose
and May We Each do our Part

OM OM OM

Let the Builders Form and Fall away
Let the Note be Struck
Let those therein Reveal Their True natures

OM OM OM

Let the Will be Invoked
Let the Fire Burn
Let the Heart Chakra Respond

So, Let it Be

OM OM OM
